RECIPE TO STOP DANDRUFF

This Home Made Mixture Stops Dandruff and Falling Hair and Aids Its Growth.

To a half pint of water add:
Bay Rum..... 1 oz.
Barbo Compound..... a small box
Glycerine..... 1/4 oz.

These are all simple ingredients that you can buy from any druggist at very little cost, and mix them yourself. Apply to the scalp once a day for two weeks, then once every other week until all the mixture is used. A half pint should be enough to rid the head of dandruff and kill the dandruff germs. It stops the hair from falling out, relieves itching and scalp diseases.

Although it is not a dye, it acts upon the hair roots and will darken streaked, faded, gray hair in ten or fifteen days. It promotes the growth of the hair and makes harsh hair soft and glossy.

Miss Hager's pupils were exceptionally fine and the officers of the Yeomen lodge wish to thank Miss Hager for assisting with the program.

A talk on Yeomen by Ed Ellis, followed by stereopticon views of the Yeomen headquarters and supreme officers and a talk on fraternalism by H. A. Montague.

After a railroad spelling match the crowd was invited into the dining hall where the ladies served a delicious luncheon.

The Yeomen lodge is enjoying a wave of prosperity this year on account of the excellent plan on which the Yeomen is organized and the many accident features covered by the Yeomen policy.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live."

Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."

Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Inheritance Tax Bill Signed.
Governor Williams has approved the inheritance tax law by Johnson of Oklahoma and Glasco of Purcell a law similar to that by which the state of Utah collected \$500,000 from the Harriman estate—enough very nearly to complete the Utah state capital.

The bill exempts \$5,000 to widows and \$10,000 to children. Its rates are: Two per cent on sums from \$5,000 to \$50,000; three per cent on sums between \$50,000 and \$100,000, and four per cent on all amounts above.

DANDRUFFY HEADS BECOME HAIRLESS

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store, and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

\$100,000, these apply where the bequests are to the immediate relations. On states inherited by distant relatives or bequests to others, the rates are: Five per cent on \$25,000 to \$50,000; six per cent on \$50,000 to \$100,000; eight per cent on \$100,000 to \$1,000,000 and ten per cent on everything in excess of \$1,000,000.

The house will likely adjourn Monday.

SENATE READY TO TRY WATSON AND WELCH

Oklahoma City, March 17.—The senate Tuesday afternoon with Chief Justice Kane presiding, heard answers to charges of impeachment against Corporation Commissioner A. P. Watson and Insurance Commissioner A. L. Welch.

From the moment the senate convened as a court of impeachment, no one was permitted to enter the chamber or pass out from the floor of the house. In accordance with the special act of the legislature passed last week, the actual trial of Mr. Welch and Mr. Watson will not begin until the legislative session has ended, probably some time next week.

To complete the total of \$1,500,000 estimated necessary to erect the Oklahoma State Capitol, the senate Tuesday passed a bill appropriating \$750,000 to be borrowed from the sinking fund for the public buildings bonds and reimbursed in later years by direct taxation or from the sale of lots in the 650-acre capitol site.
